Calling all women’s health researchers – have you conducted research on:

- Workplace health and safety
- Health access and awareness
- Gender-based violence
- Sexual and reproductive health
- Work/Life balance

If so, apply to the 2020 APEC Healthy Women, Healthy Economies Research Prize!

The winner of the prize will win USD $20,000, while the 2 runners-up will win USD $5,000 each. If the winner or runner up is from government then the prize money will be given instead to HealthyWomen (a women’s health not-for-profit). Alternatively, the winner or runners-up may designate a not-for-profit entity to receive the prize money. Please attribute the research to all involved in its making, but only one individual may be nominated and eligible to receive the prize money and present the research at the Women and the Economy Forum in Malaysia.

Applications can be found at https://www.apec.org/healthywomen/HWHE_Prize and are due May 11, 2020.
