Virtual student exchange – during the pandemic

• Substitute for physical exchange during the pandemic
• Allow for intellectual/social exchange while travel is restricted
• Cross registration & credit transfer – proven possible
• How can this be sustained post-pandemic?
• What’s the future of online education look like?
Online education post-pandemic?

• Hybrid → Online + Offline
• Digital disruption → Future-ready workers
• VUCA world → Resilient leaders
• SDG-focused → Global citizens
Metaverse campus – connect and join from anywhere

Mark Zuckerberg

Just heard Stanford will offer a class taught completely in virtual reality using Quest. It's great to see the tech make education more immersive. Maybe I would have stayed in school longer if I could have taken my classes in VR...
