

Yesports Students Extracurricular Apprenticeship

Yesports is devoted to providing highly-motivated and talented students with an excellent educational experience in a culturally-diverse environment. We want to create an eco-system for all talents for the development of a better, greener, healthier lifestyle and a global network for future leaders to take part in the next-generation educational training which lead to growing blooming and bright communities.

Brief Description

Host Institution: Yesports Media Limited

Level/Field(s) of study: Eligible University/High School Students

Number of Scholarships: Depends on the caliber of applicants but it is envisaged that at least 1 scholarship will be granted.

Target group: University/High School student athletes of any subject area

Scholarship value: The cash scholarship is valued up to USD\$5,000, while others provide a stipend to assist with the costs associated with your studies. Apprenticeship recipients will be entitled a 4-6 weeks work period at Yesports as part of the contract. The work period will be held during term breaks.

Duration: 2021-2022 Academic Year

Deadline for Application: End of April

Eligibility:

Recipients must be:

- A high school senior (traditional or homeschooled), progressing normally toward graduation or completion of high school, and planning to accept admission to college; or university student who is commencing full-time study in a University in an Undergraduate or Postgraduate program.
- Able to demonstrate excellence or have consistently performed at a standard significantly above their peers in their talents while exhibiting their influence in other areas and contributions to the community.

How to Apply:

- To being enlisted in this program, students have to complete the online application form at <https://www.yesportstalents.com/scholarship> . It is important to visit the official website to access the application form and for detailed information on how to apply for this scholarship.
- Candidates will have to submit a video of self-introduction and a video to show their talents.

- Supporting documents including copies of academic transcripts and award, CV, a statement, a copy of passport must be submitted by the applicants.
- Candidates from outside the home country will often need to meet specific English language requirement.
