

APRU Mini Certificate in Health Research Ethics for Students

Aug 24, Aug 31 & Sept 7, 2023
6-8pm pacific time

Aug 25, Sept 1 & Sept 8, 2023
9-11am Manila/HK time

This free virtual, interactive training is designed for students with limited backgrounds in research ethics. Join students from around the world to develop competencies to conduct ethical health research. The 12-hour course taught in English includes live lectures by 6 international guest speakers, small group case study discussions facilitated by more than 30 expert faculty, & self-paced, online “homework.”

Register [HERE](#)

Deadline to register is Aug 10 (space is limited)

All students from APRU member universities are welcome.
Attendance with cameras on at all 3 sessions is required. Certificate of completion provided.
