

Mini Certificate in Health Research Ethics

**Feb 15, 22 & 29, 2024
5-7pm pacific time**

**Feb 16, 23 & March 1, 2024
9-11am Manila/HK time**

In this free virtual, interactive training of 10 total hours, join students from around the world to develop competencies in health research ethics. It includes short lectures by international guest speakers, small group case study discussions facilitated by expert faculty, & online “homework.” It is designed for students with limited backgrounds in health research ethics.

**All students from APRU member universities are welcome.
Registration deadline is Feb 1 (but space is limited)
Cameras must be on for all live sessions. Course is taught in English.**
